Savings plans that make life simpler.

Everyone has dreams. A consistent savings plan can help turn those dreams into reality. Once established, you can enjoy the convenience of having your money transferred automatically from your checking to your savings account at any interval you choose. Then, sit back and watch it grow. Banc of California has a longstanding legacy helping individuals realize their dreams through simple savings programs.

Savings Account

A simple way to save for the future. Set up a free auto-transfer from your checking account to save even faster.

Kids Banc Savings Account

Our Kids Banc Savings Account is specifically designed for young savers and future entrepreneurs.

Tiered Savings

Earn more on your savings balances with higher-tiered rates.

Money Market

Our Money Market Account lets you earn more with higher rates for higher balances while maintaining liquidity, with limited check writing for ease of funds management.

As one of the California's most respected banks, we offer:

- Over 75 years of service to the community
- Easy access by branch, ATM, phone or online
