Home Mortgage solutions that help to build the American Dream

The purchase of a home is perhaps the largest investment you will make in your lifetime, full of possibilities and complexities. That's why Banc of California offers a host of Fixed Rate and Adjustable Rate mortgages, non-conforming Jumbo loans and specialty mortgage products designed to fit any lending requirement. Our streamlined loan process ensures one-on-one access from application through funding.

- Conventional/Conforming (less than \$453,100)*
- Jumbo/Non-conforming (\$453,100 up to \$2MM)*
- Federal Housing Administration (FHA)*
- Veterans Administration (VA)*
- Agency High-balance*
- Portfolio

As California's Real Estate Bank, we support California's home buyers

- Over \$10 billion in assets
- A 70+ year history of lending to the community
- A fast-track approval and streamlined closing process
