

## **WE ARE THE BANC FOR NONPROFITS**

Partnering financial services  
with public service.

**As California's Bank, we take great pride in supporting organizations and activities that enhance the quality of life in the communities where our customers and employees work, live and do business.**

By developing financial solutions and meaningful partnerships with a broad array of nonprofit organizations, we serve our diverse population and positively impact at-risk youth programs, affordable housing, veteran services, community revitalization, financial literacy education and workforce development.

**We are the right-size local partner for your nonprofit financing and everyday banking**

As a community bank headquartered in California, we focus on organizations that serve the same communities we do. Our smaller geographical footprint and depth of resources allow us to directly invest in our local communities, provide an unparalleled level of service with a local team and engage our employees to play an active role in supporting our partner organizations to serve our communities.

**Our relationships with nonprofits go well beyond traditional banking services**

Our greatest strength in serving the nonprofit sector lies not only in our understanding of your mission and financial services

needs, but in our passion for serving as your financial partner to ensure the sustainability of your organization in its support of our communities.

**Since 2018, we have provided:**

- \$100M+ in Community Development Investments
- \$225M+ in Small Business CRA Loans in California
- \$1.25B+ in Community Development Loans
- 7,400+ hours of Community Service
