

WE ARE THE BANC **FOR PROFESSIONAL FIDUCIARIES**

Delivering specialized financial tools with specialty-banking service.

As a relationship-focused, full-service business bank, Banc of California provides a full array of specialized banking services for fiduciaries. Our dedicated team of specialists delivers custom banking services to Professional Fiduciaries, attorneys and their clients.

Specialty Depository Services

Your client relationship is managed and supported by professional fiduciary bankers with comprehensive knowledge of the specialized industry and banking services you count on.

Our services for fiduciary professionals include the following:

- Multi-million-dollar FDIC Insurance available*
- Full suite of online Treasury Management Services
- Mandated Blocked or Controlled Accounts
- Master signature cards, for fiduciary relationships, allowing for the expedited opening of new-case accounts
- Remote deposits, allowing for fiduciary relationships nationwide
- Multilayer fraud protection
- Litigation Escrow Accounts
- Disbursement Accounts

Dedicated Fiduciary Support

Our dedicated team delivers a specialty-banking level of products and services required to help you execute your unique role seamlessly. We provide direct access to the wealth of experience, service and products we offer, and we strive to anticipate what you need.

Our services for fiduciary professionals include the following:

- Experienced fiduciary bankers who have worked with fiduciary professionals
- Collateralization/FDIC-coverage offering for interest-bearing accounts
- Full online access to accounts, including remote deposit
- Simplified account opening
