16. **Your Equipment.** To use the Service, you must have the browser and equipment described in Section 8. You are responsible for the selection, installation, maintenance, and operation of your computer and software. We are not responsible for any errors, failures, or malfunctions of your computer or software, or for any computer virus or related problems that may occur with your use of this Service. You are responsible for ensuring that your computer and software are compatible with our system. We reserve the right to change our system requirements from time to time. Note: some browser software may store user names and security codes to facilitate the future use of a

website. For security reasons, you agree to disable this feature in your browser. Check your browser's "Help" screen for more information on this feature.

You shall at all times comply with applicable laws, rules and regulations in connection with your use of the Service. You shall not use the Service for any activities in violation of any laws or regulations, including without limitation, wrongful transmission of copyrighted material, sending of threatening or obscene materials, or misappropriation or exportation of trade or national secrets. You shall have sole responsibility and liability related to your access to the Internet and any browsers, computers, devices or other such technologies used to access the Internet and the Service, and Bank assumes no liability or control over such Internet access or technologies. You shall use the Service in accordance with this Agreement, the Deposit Account Agreement, and any other applicable terms and conditions.

- 17. Security Procedure.** We may provide you with one or more identification numbers, passwords and/or other means of identification and authentication (collectively "Password") to access the Service. We also may provide you with operating instructions in connection with the Service. You agree to: (a) comply with the operating instructions; (b) take reasonable steps to safeguard the confidentiality and security of the Password; (c) never disclose your Password to others; (d) notify us immediately if you have any reason to believe the security or confidentiality required by this provision has been or may be breached; and (e) immediately change your Password if you know or suspect that the confidentiality of the Password has been compromised in any way.

For security reasons, we may disable your Password if it is entered incorrectly several times. We may act on any Service instruction that is accompanied by your Password. Our security procedures are not designed for the detection of errors (e.g., duplicate transfers or errors in information you provide to us). We will not be obligated to detect errors made by you, even if we take certain actions from time to time to do so.

We may elect, at our discretion, to verify the authenticity or content of any transmission by placing a call to any owner or authorized signer on your account. We may deny access to the Service without prior notice if we are unable to confirm to our satisfaction any person's authority to access the Service or if we believe such action is necessary for security reasons. If your account is not primarily for personal, family or household purposes, you agree to be responsible for any instruction or transaction we receive through the Service, even if it is not authorized by you, provided it includes your Password or is otherwise processed by us in accordance with this security procedure. Each time you transmit instructions to us, you warrant that our security procedures are commercially reasonable (based on the normal size, type, and frequency of your transactions).

Note: If you believe someone has or may attempt to use your Password or conduct a Service transaction in an unauthorized manner, contact us promptly at 1-877-770-BANC (2262). No Bank employee, or any company affiliated with the Bank, will contact you via e-mail or phone requesting your account or security information. If you are contacted by anyone requesting this information, please contact us immediately.

- 18. Sharing Information.** We may share certain personal information and device-identifying technical data about you and your devices with third party service providers who will compare and add device data and fraud data from and about you and your devices to a database of similar device and fraud information in order to provide fraud management and prevention services and identify and block access to the applicable service or website by devices associated with fraudulent or abusive activity. Such information may be used by us and our third party service providers to provide similar fraud management and prevention services for services or websites not provided by us.
- 19. Account Information.** You can use this element of the Service to obtain balance and other account information online, seven days a week, except when the system is unavailable for maintenance or other reasons. Since certain information and transactions are not processed by us until after the close of our "Business Day" (as that term is defined in Section 30 below), some transactions may not be reflected in the system until the next Business Day. Posted items may be reversed due to insufficient funds, orders, legal process, or other reasons. Certain balances also may not be subject to immediate withdrawal. We assume no responsibility for any loss arising from incomplete information or for any temporary interruption in this element of the Service.

- 20. Transfers.** You can use this element of the Service to transfer funds between your eligible Accounts with us. (For example, transfers cannot be made from time deposit Accounts.) Transfers between your deposit Accounts with us are subject to the terms of the Deposit Account Agreement. Although you may instruct our online system to make transfers between your Accounts at any time on any day, transfers occurring after our Service cutoff hour of 5:00 p.m. Pacific Time on Business Days, or on non-Business Days, may not be posted until the next Business Day. Different rules regarding the Service cutoff hour may apply to Zelle® transfers, see Section 23 below.
- 21. Stop Payment Orders.** You can use the Service to place a stop payment order on a check that you have written against your Account. To stop payment on a check, you must provide us with timely, complete and accurate information regarding: the number of the Account in question; the date of the item; the item number; the payee information; the EXACT amount of the item (dollars and cents); and/or any other information requested by the Service. If any information is untimely, incomplete or incorrect, we will not be responsible for failing to stop payment on the check at issue. In order to be effective, you must submit the stop payment order before the check is presented for payment. Stop payment orders received on a weekend, holiday, or after 5:00 p.m. Pacific Time on a Business Day may be deemed received by us as of the next Business Day. Stop payment orders are effective for six months. To place a stop payment order on transactions not relating to a check, or to cancel a stop payment order, immediately call 1-877-770-BANC (2262) or visit one of our branches.
- Fees may apply when placing a stop payment order. See the Fee Schedule (as that term is defined in Section 46); specifically, the section of the Fee Schedule titled “Stop Payment Order/ Renew – Online.”
- If you have told us in advance to make regular payments out of your account, you can stop any of these payments by writing to us at Banc of California, Attn: Customer Care Center, 3 MacArthur Place, Santa Ana, CA 92707, or by calling us at 1-877-770-BANC (2262).
- We must receive your request at least 3 Business Days before the payment is scheduled to be made. (Note: If you fail to give us your request at least 3 Business Days prior to a transfer, we may attempt, at our sole discretion, to stop the payment. We assume no responsibility for our failure or refusal to do so, however, even if we accept the request for processing.) If you call, we may require you to put your request in writing and to provide us with a copy of your notice to the payee, revoking the payee’s authority to originate debits to your account, and get it to us within 14 days after you call. If we do not receive the written confirmation within 14 days, we may honor subsequent debits to your account. For individual payments, your request should specify the exact amount (dollars and cents) of the transfer you want to stop, the date of the transfer, and the identity of the payee. Unless you tell us that all future transfers to a specific recipient are to be stopped, we may treat your stop payment order as a request concerning the one transfer only. If you order us to stop one of these payments at least 3 Business Days before the transfer is scheduled and we do not do so, we will be liable for your losses or damages. We will charge you the stop payment fee listed in our Fee Schedule for each stop payment order you give. See the Fee Schedule (“Stop Payment – Order/Renew Fee”).
- If you have arranged in advance to make regular payments out of your account and they may vary in amount, the person you are going to pay will tell you 10 days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- For further terms and conditions regarding stop payment orders, please refer to the Deposit Account Agreement.
- 22. Online Bill Payments.** This Service may allow you to make current, future and recurring payments to others from one or more of your designated Bank checking Accounts. If you link more than one checking Account to the Service, you must specify which Account you wish to use in making payments. Payments cannot be made from a money market or savings Account, and requirements for dual signatures on checks do not apply to the Service. You acknowledge and agree that we may conduct a credit screen in order to determine eligibility and execution. The amount of a bill payment is limited for security purposes and it may change from time to time without advance notice to you.

Further terms and conditions relating to your use of the Bill Payment Service apply; such terms and conditions (which are subject to change from time to time) will be disclosed to you electronically when you first enroll in the Bill Payment Service. These terms and conditions can be accessed at www.bancofcal.com/agreements, where you can link to the **Terms of Service** for Bill Pay and Zelle® and locate provisions relating to the Bill Payment Service.

23. **Zelle® Transfers.** To use the Service, you must be at least 18 years old and a resident of the United States. If you enroll for this Service, you can send funds from your designated Bank account to an account at another U.S. financial institution or receive transfers to your Bank account from other persons in U.S. dollars. You agree that your use of this Service will comply with this Agreement and with all applicable laws, rules, statutes and regulations, including but not limited to any third party service provider's standard operating procedures.

THE ZELLE® SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE ZELLE® TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. ZELLE® DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH THE SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED).

Further terms and conditions relating to your use of the Zelle® Service apply; such terms and conditions (which are subject to change from time to time) will be disclosed to you electronically when you first enroll in the Zelle® Service. These terms and conditions can be accessed at www.bancofcal.com/agreements, where you can link to the **Terms of Service** for Bill Pay and Zelle® and locate provisions relating to the Zelle® Service.

24. **Your Responsibility.** Tell us AT ONCE if you believe your Password or Shared Secret has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two Business Days, you can lose no more than \$50 if someone used your Password or Shared Secret without your permission. If you do NOT tell us within two Business Days after you learn of the loss or theft of your Password or Shared Secret, and we can prove that we could have stopped someone from using your Password or Shared Secret without your permission if you had told us or otherwise stopped the unauthorized funds transfer, you could lose as much as \$500. Also, if your statement shows bill payments or transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed or otherwise made available to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
25. **Our Responsibility.** If we do not complete a transfer or send a payment from your account on time or in the correct amount according to our Agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for example, if: (a) we process your payment or transfer in a timely manner, but the payee rejects your payment or fails to process it in a timely manner; (b) your account does not contain sufficient available funds to make the transfer or payment, or the transfer or payment would exceed the credit limit on any overdraft line you have with us; (c) the money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or claim restricting the transfer or payment; (d) the payee or transaction information you supply to us is incorrect, incomplete or untimely; (e) the system was not working properly and you knew about the problem when you requested the transfer or payment; (f) circumstances beyond our control (such as fire, flood, viruses, pandemic, computer breakdowns or telecommunication problems) or rolling blackouts prevent the transaction, despite reasonable precautions that we have taken; (g) you do not authorize a bill payment early enough for your payment to be made and properly credited by the payee by the time it is due; (h) a transfer or payment could not be completed due to the system's unavailability; or (i) you fail to follow our on-screen instructions properly. There may be other exceptions stated in our Deposit Account Agreement with you.
26. **In Case of Errors or Questions about Your Transfers or Bill Payments.** Call or write to us at 1-877-770-BANC (2262) or Banc of California, Attn: Online Banking Support, 3 MacArthur Place, Santa Ana, CA 92707 as soon as you can if you think your statement is wrong or if you need more information about a transaction listed on the statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. You must: (a) tell us your name and account number; (b) describe the error or the transaction you are

unsure about and explain as clearly as you can why you believe it is an error or why you need more information; and (c) tell us the dollar amount of the suspected error. In addition, it would be helpful if you provided us with any supporting documentation related to the error. For bill payments, please tell us the payee name, the date we charged your account, and the payee account number. If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days.

We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time that it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit your account. For errors involving new accounts, we may take up to 90 days to investigate your complaint or question, and up to 20 Business Days to credit your account for the amount you think is in error.

We will tell you the results within 3 Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation and may also reverse the provisional credit previously provided. You may ask for copies of the documents that we used in our investigation.

- 27. Business and Other Non-personal Accounts.** Our obligations set forth in Sections 25 and 26, and the limitations on customer liability set forth in Section 24 and in periodic statements, do not apply in the case of business or other non-personal accounts. The owners of those accounts must notify us immediately if they discover any unauthorized transactions or errors, and must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or the date the first statement or notice reflecting the problem was mailed or otherwise made available to the customer, whichever occurs first. We may process any online instruction we believe is given by any of you if the instruction is accompanied by your Password, and you will be responsible for the transfer or payment, even if the instruction is not transmitted or authorized by you. See the Deposit Account Agreement for further terms and conditions.

General Terms

- 28. Assistance.** If our on-line system is not available for any reason, you can contact us during our regular business hours at 1-877-770-BANC (2262) for assistance.
- 29. Authorization.** We will act upon the instruction of only ONE account owner or authorized signer with regards to any of the Service elements described herein (for example, to wire funds or to initiate ACH or other payment options), even if the signature card for the account in question requires dual authorization.
- 30. Business Days.** Our Business Days are Monday through Friday, excluding Federal holidays (“Business Day”).
- 31. Confidentiality.** We will disclose information to third parties about your account or the transfers you make:
- where it is necessary for completing transfers, or
 - in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
 - in order to comply with government agency or court orders, or
 - if you give us your written permission.

Refer to our Privacy Notice applicable to Consumer Accounts for further details.

- 32. Change in Terms.** We may add to, delete from, or change the terms of this Agreement at any time by sending a notice to any of you at the mail or e-mail address shown in our records, by posting the notice or an amended Agreement on our website, or by delivering it to you. Unless otherwise required by law, we may amend the agreement without prior notice (e.g., by posting the information in our offices, on our website, or otherwise making

it available to you). You may choose not to accept the change by timely closing your account(s) or terminating this Agreement and your use of the Service.

Note: Some aspects of our Services may not be available at all times. We may make additional services or new features available from time to time.

33. **Discrepancies.** We assume no responsibility for the accuracy or timeliness of information provided by, or retrieved from, other institutions or other parties to your transactions. You agree to provide us with prior written notice of any changes in your designated accounts with payees and other institutions that would affect our right or ability to process Service transfers or payments.

If a transfer or payment instruction identifies a payee or a bank by name and account or other identifying number, we and other financial institutions may process the transaction solely on the basis of the number, even if it identifies a different person or entity from what is indicated in the instruction. We have no obligation to identify and investigate discrepancies between names and numbers.

34. **Documentation.** You will receive a quarterly deposit account statement unless there are electronic transfers in a particular month. You will receive a monthly statement for any month during which an electronic transfer occurs. (Electronic transfers include account-to-account transfers, ACH debits and credits, and transactions performed with any debit card attached to your account.) We will charge you a Mailed Statements fee if you receive a printed paper statement. (See the Fee Schedule.)

E-Statements offer you a convenient way to view, save and print your statements over the Internet. If you elect to receive E-Statements, we may discontinue sending written statements to you. This includes, but is not limited to, ongoing disclosures currently provided on the back of your paper statement, notices posted as messages on the face of the statement, and all notices or other communications that accompany mailed statements. You will be deemed to receive E-Statements when they are made available to you.

35. **Electronic Mail.** If you send us electronic mail ("e-mail"), we may not receive or review it immediately. We will have a reasonable time to act upon any e-mail request or notice, and reserve the right to reject any transaction or request received by e-mail. You acknowledge that, even though e-mail may be encrypted, we cannot ensure that it will not be intercepted or affected by the actions or omissions of others, such as third party networks or persons with access to the Internet. Our service providers and we assume no responsibility for viruses created by third parties, or for any third party's unauthorized access to, or use of, your computer system. Do not include any sensitive information about yourself or your accounts in e-mail that is not encrypted and sent through a secure e-mail system.

36. **Hours of Operation.** You can access the Service 7 days a week, 24 hours a day. There may be times, however, when all or part of the Service is unavailable due to system outages or maintenance. We assume no responsibility for any damage or delay that may result from such unavailability.

37. **How to Notify Us of a Problem.** If you have a question about a Service transaction, believe your User ID, Password or Shared Secret has been lost or stolen, or that someone has transferred or may transfer money from your account without your permission, call or write to your branch of account (the phone number and address are shown on your statement). You can also call us at 1-877-770-BANC (2262) or write to us at: Banc of California, Attn: Online Banking Support, 3 MacArthur Place, Santa Ana, CA 92707.

38. **Indemnification.** Except as otherwise set forth in this Agreement, each account owner agrees to indemnify, defend and hold us harmless from all claims, actions, proceedings, fines, costs and expenses (including, without limitation, attorney fees) related to or arising out of: (a) your actions and omissions in connection with your accounts or our Service, including but not limited to any illegal acts, fraud, misrepresentation or willful misconduct, or (b) our actions and omissions, provided that they are taken/omitted in accordance with this Agreement or your instructions. This provision shall survive the termination of this Agreement. See the Deposit Account Agreement for further terms and conditions.

39. **Limitations on Liability.** You agree that we and our suppliers, providers, and vendors are released from any incidental, indirect, consequential, special punitive, and exemplary and tort damages. You agree that the maximum liability applicable to us and our suppliers, providers, and vendors is limited to the amount of the single transaction at issue.
40. **Limitation on Time to Sue.** Unless otherwise required by law, an action or proceeding by you to enforce an obligation, duty or right arising under this Agreement or by law with respect to the Service must be commenced no later than one year after the day the cause of action accrues.
41. **Limitations (Other).** Payments and transfers may only be made to and from accounts in the United States, and only in U.S. dollars. You agree to not initiate Bill Payments in excess of \$50,000 per transaction or that total more than \$50,000 on any one Business Day. Unless we advise you otherwise on our Zelle® website, Zelle® “send money” transactions are limited to the following amounts: (a) for standard transfers \$1,000 per day, and \$3,000 during any rolling 30-day period; and (b) for instant transfers \$1,000 per day, and \$3,000 during any rolling 30-day period. We may change these limits at any time. To find out your current limits, log into the Service and click on the Zelle® tab. The number of Zelle® transfers you may make is limited to 15 transfers per day and 30 transfers during any rolling 30-day period. The minimum transaction amount for all Zelle® transfers is \$5. We may permit you to exceed limits described in this Section from time to time at our sole discretion, but may cease doing so at any time and without prior notice. We also may deny or limit transactions for security reasons.

Payments and transfers from savings accounts and money market deposit accounts may be subject to transaction limitations. You may only make up to 6 withdrawals and/or transfers each month from these accounts by check (for accounts with check privileges), preauthorized or automatic transfer (e.g., automatic payments to an insurance company), draft, point-of-sale debit card, telephone and/or online banking. We may refuse to permit a Service transaction at any time and without prior notice if we believe it may violate applicable law. See your Deposit Account Agreement for further details.

42. **No Warranties.** The Service is made available on an “as-is” and “as available” basis. Neither we nor our vendors provide any warranty, express or implied, regarding this Service. All warranties, including implied warranties of merchantability and fitness for a particular purpose, are expressly disclaimed to the greatest extent permitted by law. Neither we nor our vendors assume any liability for the unavailability of the Service. This provision shall not be deemed to limit our obligations as otherwise set forth in this Agreement.
43. **Other Terms.** This Agreement incorporates, supplements and supersedes where inconsistent, the terms of your Deposit Account Agreement with us. You agree to comply with the Terms and Conditions found at our website, as well as any Service guidelines and instructions set forth at that site. This Agreement, our website terms and conditions, the Mobile Banking Addendum, the terms and conditions regarding Online Bill Payments and Zelle®, and your Deposit Account Agreement contain all of the terms of our agreement with you with respect to the Service, unless we otherwise agree in writing.
44. **Preauthorized Credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 1-877-770-BANC (2262) to find out whether or not the deposit has been made.
45. **Privacy.** We may release information about you, your accounts and the transactions you perform to companies that perform services for us (such as check printers and data processing firms), with your permission, to our affiliates, and as permitted by law. We may disclose information, for example: where it is necessary or helpful for completing a transaction; to report the existence, history and condition of your account to credit reporting agencies; and to comply with government agency and court orders. Please see our Privacy Policy web page or call us at 1-877-770-BANC (2262) for information about how we gather, use and secure nonpublic personal information about you.
46. **Service Fees.** Unless otherwise stated, there are no fees for accessing information about your accounts or paying bills through the Service. We may impose a charge for each transfer or payment that exceeds the transaction limitation we set for your account each statement period (see our Fee Schedule, “Excessive Transaction Activity”). Our Fee Schedule sets forth a complete list of fees associated with the Service. “Fee Schedule” means the current Personal Schedule of Fees and Charges as may be amended from time to time, including any specific proposals which

we may present to you. We may also impose a charge for transfers or payments drawn on non-sufficient funds. See our Fee Schedule for all fees related to your accounts. We are not responsible for any fees that may be billed to you by your phone or Internet service provider.

47. **Inactivity.** At our sole discretion, if you do not access your accounts online or access Services within your online banking Account for an extended period of time, such as 12 months, your profile may be deleted and you will no longer be able to sign on and/or access Services within your online banking Account. You will need to re-enroll to setup a new online profile or re-establish the Service at a later date. If your profile is deleted, you will no longer receive Electronic Communications (but instead will receive Communications through a non-electronic means), and you will be automatically converted to paper periodic statements, which may result in a fee. Please refer to the Fee Schedule for additional information.
48. **Termination.** We may terminate, suspend or limit your access to all or part of the Service, and/or terminate this Agreement, at any time, with or without cause. If you do not agree to these terms, or if decide to cancel the Service, call us at 1-877-770-BANC (2262) or write to us at: Banc of California, Attn: Online Banking Support, 3 MacArthur Place, Santa Ana, CA 92707. Let us know if you have any outstanding scheduled or recurring bill payments or transfers that you also wish to cancel. If you or we terminate your use of the Service, we may delete all outstanding payments (both one-time and recurring). We are not responsible for any fixed payment made before we have a reasonable opportunity to act on your termination notice. We may refuse to make scheduled or recurring Service payments and/or transfers following termination of the Service. Any indemnification obligations required by this Agreement shall survive its termination.
You acknowledge and agree that the Service, and/or any elements thereof, can be suspended, changed, or terminated at any time and without notice.
49. **Consent to Share with Third Party Service Providers.** We may share certain personal information and device-identifying technical data about you and your devices with third party service providers who will compare and add device data and fraud data from and about you and your devices to a database of similar device and fraud information in order to provide fraud management and prevention services and identify and block access to the applicable service or Web site by devices associated with fraudulent or abusive activity. Such information may be used by us and our third party service providers to provide similar fraud management and prevention services for services or Web sites not provided by us.
50. **Alerts Terms and Conditions.** The following Alerts terms and conditions (“Alerts Terms of Use”) only apply to the Alerts feature (as defined below). If Alerts are not available to you, then this Alerts Terms of Use does not apply. To the extent there is any conflict between the terms of the Agreement and this Alerts Terms of Use with respect to Alerts, then the terms in this Alerts Terms of Use shall apply.
Alerts. Your enrollment in the Bank’s Online Banking and/or Mobile Banking (the “Service”) includes enrollment to receive transaction alerts and notifications (“Alerts”). Alerts are electronic notices from us that contain transactional information about your Banc of California account(s). Alerts are provided within the following categories:
 - **Mandatory Alerts** provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.
 - **Account Alerts** provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.
 - **Additional Alerts** must be activated by you to be enabled. These Additional Alerts can be accessed from the “More menu” within Banc of California Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. The Bank reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“endpoints”): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your Banc of California Online Banking message inbox, by an e-mail message. You agree to receive Alerts through these endpoints, and it is your responsibility to determine that each of the service providers for the endpoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your endpoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device’s number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, text **"STOP"** to 99588 at anytime. Alerts sent to your primary email address will be unaffected by this action. To restore Alerts on your mobile phone, just visit the Alerts tab in Banc of California Online Banking and click the box next to your mobile number for the Alerts you'd like to receive again. For help with SMS text alerts, text **"HELP"** to 99588. In case of questions please contact customer service at 1-877-770-BANC (2262). Our participating carriers include (but are not limited to) AT&T, T-Mobile[®], U.S. Cellular[®], and Verizon Wireless.

Limitations. The Bank provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, Internet service provider(s) and other factors outside the Bank’s control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold the Bank, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys’ fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

Privacy and User Information – Data Analytics. You acknowledge that in connection with your use of Mobile Banking, the Bank and its affiliates and service providers, including Fiserv, Inc. and its affiliates, may receive data about your usage of the service (such as session length, number of transactions and geolocation), and other data and information provided by you or from other sources in connection with Mobile Banking or the Software. The Bank and its affiliates and service providers will maintain reasonable safeguards to protect the information from unauthorized disclosure or use, but reserve the right to use and disclose this information as reasonably necessary to deliver Mobile Banking, perform analytics to improve the service, and as otherwise permitted by law, including compliance with court orders or lawful instructions from a government agency, to protect the personal safety of subscribers or the public, to defend claims, and as otherwise authorized by you. Biometric login is an optional biometric sign-in method for Banc of California Mobile Banking that may be available for certain mobile devices that have a built-in biometric scanner. To use biometric login, you will need to first save your fingerprint/facial feature scan on your mobile device (for more help with biometric scanning, contact the manufacturer that supports your mobile device). Biometrics are stored on your device only and the Bank never sees or stores your biometric information. You acknowledge that by enabling biometric login, you will allow anyone who has biometric information stored on your device access to your personal and payment account information within Banc of California Mobile Banking. The Bank reserves the right to suspend

or disable this feature at any time. Biometric login can only be associated with one Mobile Banking username at a time on a device. If your device doesn't recognize your biometric information, you can sign in using your standard login credentials (e.g., password). To use biometric login for Mobile Banking on multiple devices, you will need to set it up for each device. You can enable or disable biometric login anytime within Banc of California Mobile Banking.

PART B

- 2. Your Mobile Device.** Once you are approved for this Service, you can use a cellular phone or other mobile communication device approved by us ("Mobile Device"), together with your Password (described below), to obtain information about your accounts and transactions with us, transfer funds between your designated accounts with us, schedule bill payments to your designated payees, and initiate Zelle® transfers. Your Mobile Device must support 128-bit encryption, be web-enabled, and (when our text messaging service becomes available) be able to send and receive text SMS messages. Please note that your wireless provider may charge you for internet-related use and text messages. This Agreement does not amend any agreement you may have with your internet service or wireless providers.

Mobile banking may not be available over some network carriers and may not support all mobile devices. You must be enrolled for online banking to receive this Service. Additionally, you must register your Mobile Device with our Service.

Your Mobile Device may be subject to unauthorized tracking or other manipulation by "spyware" or other malicious code. You agree to take reasonable precautions to ensure the safety, security and integrity of transactions conducted with your Mobile Device (e.g., by not leaving your Mobile Device unattended when logged onto the Service).

We are not responsible for any third party software you may need to use the Service. Your use of such software will be subject to the terms of any agreement you receive in connection with its use (e.g., at time of download and installation). We assume no responsibility for the defects or incompatibility of any devices, computers or software that you use for the Service, even if we have previously approved their use.

- 3. Remote Deposit of Checks.** You can use the Service to deposit checks to your designated Bank deposit accounts by capturing images of the original paper checks and delivering the digital images and associated deposit information ("images") to us with your Mobile Device. You agree to complete each remote deposit promptly and to keep your Mobile Device securely in your possession until the deposit has been completed.

Eligible Items. You may only use the Service to deposit images of original checks (i.e., drafts drawn on a bank, credit union, or savings and loan that are payable on demand). You may not deposit any of the following without our prior express written consent: (a) checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you also known as third party checks); (b) checks payable to you and another party who is not a joint owner on your Bank account; (c) checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn; (d) checks that are irregular in anyway (e.g., where the numerical and written amounts are different); (e) checks previously converted to a substitute check (i.e., paper checks created from an electronic image); (f) checks previously converted to an image replacement document; (g) checks drawn on a financial institution located outside the United States; (h) remotely created checks or demand drafts (i.e., a check that does not bear the signature of the person who owns the account on which the check is drawn); (i) checks that are not payable in U.S. currency or that are sent from a location outside the U.S.; (j) checks that are postdated or are more than six months old; (k) checks that do not comply with the Bank's procedures relating to the Service, as specified in the "Requirements" section below; (l) checks involving transactions that violate any federal or state law, rule or regulation; (m) checks payable to "Cash;" (n) checks that have previously been returned unpaid for any reason; (o) registered government warrants or payable-through drafts; (p) checks that exceed any limitation described in this Agreement; (q) checks that are otherwise not acceptable under the terms and conditions of your Bank account agreement; (r) checks previously deposited at any financial institution; or (s) checks payable to Banc of California. Our processing of any of the checks described above will not obligate us to continue that practice, and we may stop doing so without cause or prior notice.

Eligibility Conditions. Eligibility to enroll in Mobile Deposit is based on pre-established account eligibility criteria set by Banc of California. Banc of California reserves the right to change eligibility criteria for Mobile Deposit at any time. To enroll in Mobile Deposit, please contact our Call Center or your Branch for details.

You may use Service to deposit checks to eligible Bank deposit accounts, including checking, savings, and Money Market accounts.

Requirements. Each image must provide all information on the front and back of the original check at the time of transmission, including the information set forth on the check as presented to you by the drawer. Your endorsement must include your signature, your account number and the words "For electronic deposit at Banc of California only." Before you can scan any item, you shall endorse all items with your name and the legend "For electronic deposit at Banc of California only," or as otherwise instructed by us.

Transaction Limits. Unless we advise you otherwise, you may not use the Service to deposit any one check with a face value greater than \$2,500.00 or more than \$2,500.00 in checks on any business day.

Note: Transactions occurring on a Saturday, Sunday or holiday will be combined with transactions on the next Business Day for this purpose. We may change these limits from time to time. Unless we advise you otherwise, revised limits will be effective immediately upon notice to you.

Receipt of Deposit. When you send an image, you can confirm whether it has been received by us by checking the "deposit history" tab in your mobile banking application. You can also check the status of the deposit later in the day. If you do not see your deposit under the "deposit history" tab, it may mean that we did not receive your transmission or that there was a problem with some of the information. If check information received by us is not complete and otherwise usable for any reason, we may reject the deposit, notwithstanding any confirmation by us of its receipt, and charge the amount back against any provisional credit to your account.

Following receipt, we may process the image by preparing a paper "substitute check" or clearing the item electronically as an image.

We may refuse any check for deposit, with or without cause, or may elect to take a check on a collection basis only. Please see your account agreement for other terms related to deposits.

Your Responsibility. You are solely responsible if you, intentionally or unintentionally, submit incorrect, duplicate or illegible images to us or if the Service is used by authorized or unauthorized persons to submit fraudulent, unauthorized, inaccurate, incorrect or otherwise improper or unusable images to us.

Original Checks. After you receive confirmation that we have successfully received an image, you must securely store the original check for not more than 30 days, at which time you must thoroughly destroy it (e.g., by marking it "VOID" and cutting it into small pieces). At our request, you must provide us with the original check (if it is still in your possession) or a legible copy within five business days. If you fail to do so, we may reverse the amount from your account.

You agree that you will never transfer or re-present the original check once it is processed by us. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid (or any copy or other reproduction of that check).

Funds Availability. If we confirm our receipt of your deposit information on a business day before 5:00 p.m. Pacific Time, we will consider that day to be the day of your deposit; otherwise, your check will be considered deposited as of the next business day. We will generally make funds from your check deposits available to you in accordance with the timeframes and in the amounts set forth in your account agreement. If we decide to delay availability for a longer period, we will notify you. If the maker of a check or another third party makes a claim against us or seeks a recredit with respect to any check processed through the Service, we may provisionally freeze or hold aside a like amount in your account pending our investigation and resolution of the claim. We also may charge your account for any check that is returned, whether or not the return is timely or proper. If a check is returned to us for any reason, we may return it to you in the form of a substitute check. If you decide to redeposit the returned item, you may only redeposit the substitute check in person at one of our branches; you may not deposit the original check without our written approval.

Your Warranties. You make the following warranties and representations to us with respect to each check you deposit through the Service:

- You assume responsibility for any check that is transmitted which for any reason is not paid.
- You are a person entitled to enforce the original check. You have the legal right to accept the check for deposit and negotiation, regardless of the name of the payee shown on the check.
- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not transfer, deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- The original check was authorized by the drawer in the amount and to the payee(s) stated on the original check, as reflected in the image sent to us.
- You have possession of the original check and no party will submit the original check for payment.
- You have not taken any action that would obscure, alter or impair the capture or transmission of information on the front or back of the check or that otherwise may prevent us or another bank from capturing or processing such information.
- You make all warranties that would otherwise apply to the check if it had been a paper item deposited with us. For example, you warrant that the check has not been altered.
- You make all encoding, transfer, presentment and other warranties that we are deemed to provide to others (e.g., as a reconverting bank) under any law, regulation, operating circular, clearing house rule, or image exchange network rule or agreement to which we are a party.
- Once we confirm our receipt of the check, you will not attempt to deposit it again.
- You will only use the Service for lawful purposes and in compliance with our instructions and applicable law.

Service Unavailability. The Service may be unavailable temporarily due to system maintenance or technical difficulties, including those of the Internet service provider, cellular service provider and internet software. We may suspend the Service immediately if we believe the security of the Service has been compromised or we question the legality of any transaction. In the event that the Service is unavailable, you may deposit original checks at our branch or through our ATMs.

Notice of Errors and Other Problems. You agree to notify us immediately in writing if you discover: (a) any error or discrepancy between your Service records and the information we provide to you about your remote deposit transactions (e.g., in a statement, confirmation, or electronic report); (b) unauthorized or unreported deposits; (c) a breach in the confidentiality of your Password; or (d) other problems related to the remote deposit service. Unless you notify us within 30 days, the statements, confirmations and reports regarding deposits made through the Service shall be deemed correct, and you are prohibited from bringing a claim against us for the alleged unauthorized transaction or error.
