

# BANKING CHECKLIST FOR STARTUP SUCCESS

Choosing the right banking relationship for your startup is critical. Innovative companies require tailored banking services and solutions and a relationship manager who understands the business, and also provides guidance, connections and support.

With all the important decisions you make when you launch your startup, we can make your banking choices seamless so you can focus on your business.

## Getting Started

- Schedule an introductory call with a dedicated relationship manager.
- Identify your unique financial needs.
- Set up banking solutions that address your current challenges and that grow with your company as you scale.

## Startup Banking Checklist
